

Large Capacity Automatic Ice Maker

#3597

BUILT WITH PASSION. OWNED WITH PRIDE.

Available immediately for shipment, Fire Magic's® new Large Capacity Automatic Outdoor Ice Maker produces 63 lbs of ice in a 24 hour period and can store up to 27 lbs in its storage bin. UL listed for outdoor use, the Ice Maker uses "constant flow" technology, continually producing ice on demand as ice is used. Suitable for outdoor and indoor applications.

A Drain Pump (#3597-100) and Trim Kit (#3821) are also available to finish off your installation.
