Dimensions: 35.4" D x 77.5" W x 36.2" L

FONTANA FORNI

THE MAESTRO 60 GAS OVEN

The perfect roundness of the vault facilitates air circulation and the gas burner on the bottom makes sure to distribute heat in even less time. Plus, reach high temps with less fuel consumption. Its compact design also makes it perfect for smaller spaces or if you want to take it along to other outdoor locations.
